The 3 national credit reporting agencies in the United States are Equifax, Experian, and Trans Union. Experian was formerly known as TRW. A fourth national credit reporting agency named Innovis exists, but does not currently seem to factor into decisions for denials of credit, insurance or employment. It is more in a development stage.

Credit (from Latin credit, "(he/she/it) believes") is the trust which allows one party to provide money or resources to another

party wherein the second party does not reimburse the first party immediately (thereby generating a debt), but promises either to repay or return those resources (or other materials of equal value) at a later date. In other words, credit is a method of making ...
