World History for Us All is a comprehensive model curriculum for teaching world history in middle and high schools

World History for Us All:

Curriculum Theory (CT) is an academic discipline devoted to examining and shaping educational curricula. There are many interpretations of CT, being as narrow as the dynamics of the learning process of one child in a classroom to the lifelong learning path an individual takes. CT can be approached from the educational, philosophical, psychological and sociological perspectives.

The Robinson Story - Robinson Self-Teaching Homeschool Curriculum. Homeschooling Problems/Needs . What is Needed for Homeschooling to Grow. There is a growing possibility that, if the home schooling movement continues to expand, it may become the most important single force that Christians can employ to take America back from the anti-Christian forces that currently control American public life.
