African Americans have lived in Minnesota since the 1800s. The local African American population developed from individuals who were born in the state as well as those who migrated to Minnesota from other states in search of a better life. Despite being subjected to discrimination and inequality, African Americans established communities and institutions that contributed to the vibrancy of the ...

Slaves were only a byproduct of the African market before the European colonization of the Americas. The Portuguese, who came first, were primarily interested in the gold which was hitherto brought to Europe by the trans-Saharan trade handled by the Arabo-Berbers.

The Atlantic Slave Trade - Whitney Plantation

On large plantations, the person who directed the daily work of the slaves was the overseer, usually a white man but occasionally an enslaved black man—a "driver"—promoted to the position by his master.
