POLICE.pdf – The Reporters Committee for Freedom of the Press

During the Crimean War, the ILN pioneered the birth of early photojournalism by printing pictures of the war that had been taken by Roger Fenton. Fenton was the first official war photographer and his work included documenting the effects of the war on the troops, panoramas of the landscapes where the battles took place, model representations of the action, and portraits of commanders, which ...

The Obama Deception is a hard-hitting film that completely destroys the myth that Barack Obama is working for the best interests of the American people. The Obama phenomenon is a hoax carefully crafted by the captains of the New World Order. He is being pushed as savior in an attempt to con the American people into accepting global slavery.
