Importance. Contour drawing is an essential technique in the field of art because it is a strong foundation for any drawing or painting; it can potentially modify a subjects' form through variation within the lines.

Contour drawing - Wikipedia

Drawing is one of the oldest forms of human expression within the visual arts. It is generally concerned with the marking of lines and areas of tone onto paper/other material, where the accurate representation of the visual world is expressed upon a plane surface. Traditional drawings were monochrome, or at least had little colour, while modern colored-pencil drawings may approach or cross a ...

A simple polar bear drawing can make a very cute holiday card. You can swap that hat out for a regular stocking cap the rest of the year.. I love using this easy drawing as a watercolor project. Try using real watercolor paper so the colors are bright and the crayon resist for the snow really stands out.
