east to west migration pdf

The East Germanic languages, also called the Oder–Vistula Germanic languages, are a group of extinct Germanic languages family spoken by East Germanic peoples.. The only East Germanic languages of which texts are known are Gothic and its descendant, Crimean Gothic. Other languages that are assumed to be East Germanic include Vandalic and Burgundian, though very few texts in these languages ...

The East–West Schism, also called the Great Schism and the Schism of 1054, was the break of communion between what are now the Catholic Church and Eastern Orthodox churches, which had lasted until the 11th century. The Schism was the culmination of theological and political differences between the Christian East and West which had developed over the preceding centuries.
