

ELEMENTS OF COMPARATIVE PHILOLOGY

elements of comparative philology pdf

Philology is the study of language in oral and written historical sources; it is the intersection between textual criticism, literary criticism, history, and linguistics. Philology is more commonly defined as the study of literary texts as well as oral and written records, the establishment of their authenticity and their original form, and the determination of their meaning.

History and development. Western modern historical linguistics dates from the late 18th century. It grew out of the earlier discipline of philology, the study of ancient texts and documents dating back to antiquity.. At first, historical linguistics served as the cornerstone of comparative linguistics primarily as a tool for linguistic reconstruction. ...
